Saltus Grammar School 2002-2003

From the Headmaster...

Once again, I am delighted to note so much busy and diverse activity in all three departments of the school. There is much to review here and much to reflect upon. I am sure that the photographs contained in this book will summon many happy and perhaps some hilarious memories. For those who have left us, this edition of 'The Martlet' will be a fine summary of a final busy year. For those who have returned to us, I hope that you take pleasure in last year's memories with your many friends.

This book is a tribute to the energy and enthusiasm of teachers and, of course, of the children in this school. The introduction to a yearbook is not, I believe, a fitting place for penetrating philosophy but perhaps I can be forgiven one observation however,

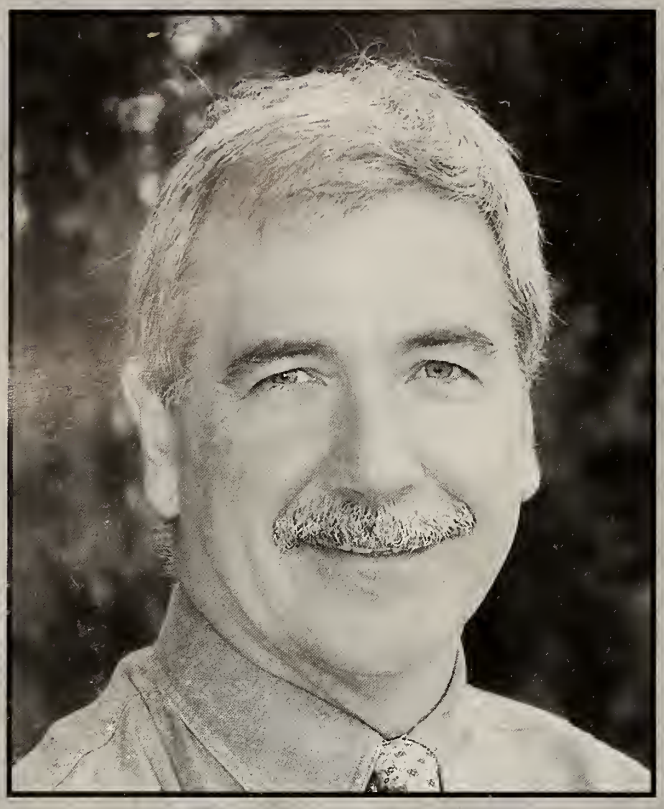
"Every child that is born is proof that God has not given up on human beings".

Unknown Indian poet

The children in this book and their commitment, their cheerfulness and their fellowship must encourage us and should do much to dispel the many misconceptions that circulate about 'the youth of today'.

N.J.G. Kermode
Headmaster

From the Deputy's Desk...



Long Term Service...

"To ensure the maximum achievement and fulfillment of its students".
To "seek to educate the whole person – intellectually, physically, emotionally and spiritually".
To "provide a rich variety of experience, both in the classroom and in extra-curricular activity".

Nowhere are these tenets from the Saltus Mission Statement more clearly illustrated than in the accomplishments and achievements of our students, at all levels of the school, as evidenced on the pages of this yearbook. What is not shown with the same clarity, however, is the significance of the contribution made by the staff – in every capacity – in creating an environment conducive to good teaching and learning, thereby allowing the school to pursue its mission.

The quality of any school depends ultimately on the relationship between teacher and taught, not only in the classroom but in as many other places and in as many other ways as possible. Behind all of the public successes, both academic and extra-curricular, of our students, lay the experience and dedication of teachers with a wide range of talents which they use to the full. They are assisted in their endeavours by others who, although perhaps not as visible, have no less important roles to play, whether in providing essential administrative services, in maintaining the physical plant, or in supporting our various technology initiatives. These human resources of Saltus are without a doubt the greatest asset the School possesses and to acknowledge this the first annual Saltus Awards Dinner was held at Riddell's Bay Golf and Country Club in February 2003. The Chairman of the Board of Trustees, Mr. Wendell Hollis, in thanking the staff for all that they do, handed out long service awards to those who have been at the school for seven years or more. In all, 41 staff (approximately 40% of the total employed) received awards for a combined 535 years of service. These included (with years served): Mark Beasley, 28; Jon Beard, 26; Malcolm Durrant, 26; Nigel Kermode, 25; Sharon Adams, 24; Wagonner Hill, 24; Dafydd Hermann-Smith, 22; Joan Paradine, 22; Jennie Beard, 21; Alan Boardman, 17; Peter Le Page, 15; Ann D. Boorman, 13; Mario Foote, 13; Melinda Frith, 13; Joy Oatley, 13; Sue Chlebek, 12; Katrina Dobson, 12; Susan Furr, 12; Lisa Maule, 12; Carolyn Conway, 11; Rhonda Gibbons, 11; Wendy Railton, 11; Christine DeSilva, 10; Ruth Henderson, 10; Martin Allen , 9; James Pace, Andre Steede, 9; Susan Vallis, 9; Daniel Blagg, 8; Patricia Dutranoit, 8; Mary Hopkins, 8; Robin Siggins, 8; Sandy White, 8; Nicole Chichon, 7; Rosemary Doughty, 7; Tyler Hall, 7; Gary Kelson, 7; Fiona Morrison-Murdoch, 7; Lyn Pantry, 7; Susie Hall, 7; Ann Stephenson, 7.

It is our firm belief that Saltus will grow and continue to respond successfully to the needs of both its students and the wider Bermudian community in these times of rapid and continuous change only if wise investment is made in these human resources. To this end, the school undertakes to provide a variety of opportunities for staff development which not only enable the School Mission and the objectives outlined in the School Development Plan to be met, but also ensure that all staff receive appropriate training to contribute to the success in achieving those objectives as well as to further their own personal and professional needs and goals. In addition to attending numerous local courses and conferences, the 2002-03 school year saw staff travel overseas to participate in Advanced Placement and GCSE workshops, to see good practice and to research the early years' programme offered in UK private schools, to develop further the Accelerated Reading initiative, to examine recent trends and developments in the establishment and delivery of the electronic curriculum, and to prepare for the extension of the new database in the Senior Department from grading and reporting to attendance and discipline. In such ways, the quality of the Saltus experience is enhanced and enriched for all.

Malcolm Durrant, Deputy Headmaster.

MUSIC REPORT 2003

Once again it has been a very busy year for Saltus musicians. The Junior School has been involved in numerous community and sc events. The Junior 6 & 7 choir participated in the Eden project on October 18th. The choir also participated in an early Christmas sho event at Trimmingham's on November 22nd where they performed a full half hour of Christmas music. The J6 & J7 choir and recorde several soloists went to St. Georges to participate in the National Trust festivities. No one will forget the torrential rain and the rivers t children had to wade through in order to reach their cars! It is a good thing that it doesn't snow in Bermuda!!

Many students were involved in the Junior show, "Space is a Dangerous Place." This highly entertaining show featured a broad ran music from David Bowie's "Starman" to a cute Christmas selection, "The Reindeer Hop." On December 16th the Junior School had it annual Musical Christmas Concert, where both choirs, recorder groups, orchestra and wind band performed at the Agricultural Exhibit The three department concert on May 1st included performances by the J4 and J5 recorders, J6 and J7 choir, orchestra and the wind ba certainly is a delight to watch the progression of musicians through our school! The Junior Wind Band performed for Harbour Nights i May. All of the J6 year group took part in paying tribute to legendary jazz stars in the show, "We Has Jazz" on June 11th. Students dic amazing job with the acting, singing and movement required for this fun show. The end of year concert was very successful and featu junior ensembles as well as soloists. The J6 & J7 choir did a repeat performance of their concert selection "Nothin' but the Blues" for class mother's assembly. The students will never forget twisting, riffin' and singing their way through the history of blues music! The Wind Band were kept busy until the last day of term as they performed at prize day for a very appreciative audience. The junior schoo musicians should be proud of their accomplishments and their dedication to music. With the continued support of a wonderful staff, pa and students a love for music will continue to flourish at Saltus Junior School.

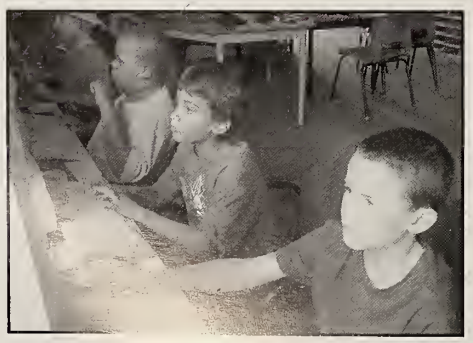
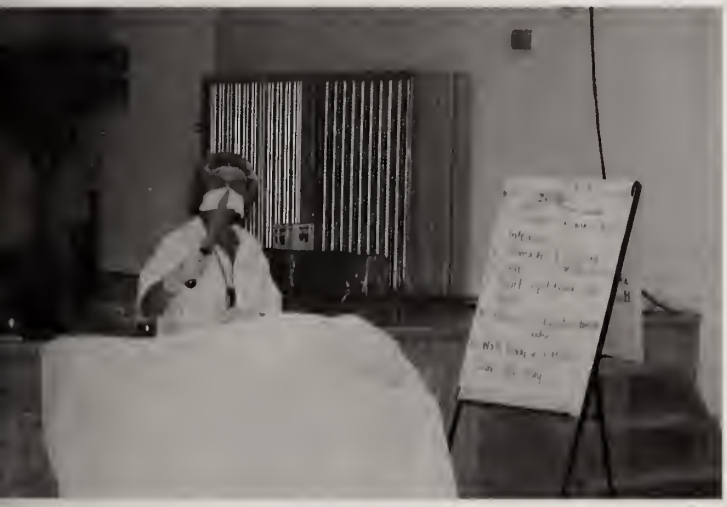
SUMMER CAMP





Bridget Jardine has left Saltus Junior School this year. She has taught at the school for several years after teaching at BHS. Whilst at Saltus she taught the J5s and has made many varied and significant contributions to the school. From her famous mummification demonstration, pictured opposite, to leading her J5 team with enthusiasm and determination. Her students have benefited from her dedication to teaching and her colleagues will miss her. I know they join with me to wish Mrs. Jardine every happiness for the future.

We woud also like to take this opportunity to thank all the parents, staff and children who have made 2003 another successful year for Saltus Junior School. In particular the class mothers who have contributed in many different ways to make Saltus Junior School a pleasant place to be.

Thanks are also due to the staff who have contributed to the yearbook by taking pictures: Mr. Beasley, Mrs. Williams and Cynthia Barnes.

The students and staff of the Senior Department thank Mr. Paul Langman for his support and guidance over the past four years. We wish him every happiness for his future.

Saltus Students Unite!

The most wonderful part of school life is the people that come together. It is the function of education to expose students to a wide variety of experiences. Here at Saltus, in addition to the academic schedule, our students participate in clubs, organizations, award programmes, and sporting teams. Additionally, many of our students are active in local and international groups and squads. However, in the moments captured in the photographs on this page it is plainly obvious that the people that share these experiences are what make these years memorable.

CLUBS & ACTIVITIES

Rag Week 2003

Rag Week 2003...Student Council raised $3176 for three charities!

The 2 aims of Rag Week are to raise as much money as possible for the chosen charities and to have a good time. The charities this year are our sponsored child, Jefferson, The Bermuda Charity for the Blind and the ISIS Foundation

Sponsored Child: Jefferson (Children International).
We will be paying our annual sponsorship fee of $180 from the proceeds raised in Rag Week. In the past three years we have also sent money for his birthday or for Christmas presents from collections taken at other times. In this picture you can see a proud Jefferson showing us the clothes, tables & chairs, and oven that our money had purchased for him and his family.

Bermuda Charity: The Bermuda Charity for the Blind.
"The Society continues to serve the Blind, as it has over the past fifty years, by providing a workplace and a home away from home. Our mission from the beginning has been to enable Blind people to live a more independent life while at the same time making sure their needs were met… We also provide a hot midday meal each working day to any legally registered blind person, whether or not they work at Beacon House, and look after any personal needs they may have."

The International Charity: The ISIS Foundation.
The ISIS Foundation's mission is to make a positive difference to the lives of children in the developing world. The aim is to manage a limited number of grass-roots, primary health-care and education projects in developing countries. Our first projects are in Nepal and in Luwero, Uganda. See www.isis.bm for details.

Along with the Silly Sports Day on Thursday, every day during lunch and recess students can "vote" - at a cost of ten cents - for the teacher that they wish to flan at the end of the week. This year's recipients of this dubious honor are Mr White and Mrs Gibbons. This year also saw the introduction of the highly successful, entertaining and controversial "Rag Mag".

Clockwise from Top left:

SGY Team Deablos pull!; Calypso, Stacie and Jaselle; Mr. White getting his 'just desserts'!; Mrs. Gibbons flanned by Sarah.

Ski Trip 2003 - Winter Park, Colarado

Here we goooo...beginners group

Everyone has lessons.

The gang's all here!

We're not sleepy!

Oh, we're having fun!

Grrr..Its Wolfeman!

Making friends!

New Ski fashions!

Ms. Hucker announced this ski trip as hugely successful, enjoyed by staff and students alike. This was the first time a younger age group was taken and the staff were so impressed it has been decided that this will be the chosen age group for future trips. The snow was the best that most had ever expreienced thanks to considerable snow falls (seven feet!) All students progressed and some of the advanced skiers did everything the mountain had to offer, leaving their instructor exhausted and needing a vactation! Well done everyone!

Saltus Drama Students "On Tour"

Students are pictured at the Metropolitan Museum, the Metropolotan Opera House (outside and backstage) and they take a look from the top of the Empire State Building!

Saltus Island Project wins award.

On Thursday, May 29th, Saltus was invited to the AGM of the Bermuda National Trust to receive an award for the Saltus Island Project. The school was presented with the Michael Darling Shield for upholding the National Trusts aims and ideals. Anna Clark (3D), Jasmin Caines (3D), Tristan Loescher (3S) and Marquis Jones (3D), were asked to attend the ceremony and receive the award on behalf of the school. This was indeed a great honour for the school and the Saltus Island Project. The Michael Darling Shield is the 2nd most important award presented by the Bermuda National Trust, and this was the first time Saltus Grammar School had ever won the shield.

Saltus Island Project Receives Environment Grant

The Ministry of the Environment announced that the Saltus Island Project has been successful in its application for a grant to fund the conservation work. The grant will be used to purchase additional tools, a second storage shed, wheel barrows and a chipper/shredder. The school is very pleased that our application is successful. The grant is the first awarded, and will be reviewed again in 6 months.

Saltus Island Project 2003

Saltus island is located in Soncy Bay, Pembroke. The island is 3.19 acres. The Bermuda National Trust owns the island. Goal - Saltus Grammar School in partnership with the Bermuda National Trust's aims to protect Saltus Island as a nature reserve and undeveloped open space forming part of the natural landscape of this part of Hamilton Harbour

The Saltus Island Project is now into its second year, and a great deal of progress has been made. Approximately 45, senior 3 and 4 students have visited the island to carry out various conservation and woodland management activities. These include removal of invasive species, planting of native and endemic saplings, removal of stumps, creation of pathways. Recent developments have seen the construction of a composting area, and the purchase and placement of a storage shed. Most students thoroughly enjoy their time on Saltus Island. The work is often physically demanding, and certainly different from their usual activity. The final visit of the academic year to Saltus Island will take place on June 26th (Ewan Sampson Day) when 20 students will spend the morning working on the island, and the afternoon swimming, relaxing and carrying out a marine clean-up along the shore of the island.

Student Council 2002-2003

Student Council gives generously again!

Student Council raised $3176 for three charities!

Sponsored Child: Jefferson (Children International).
We will be paying our annual sponsorship fee of $180 from the proceeds raised in Rag Week. In the past three years we have also sent money for his birthday or for Christmas presents from collections taken at other times. In this picture you can see a proud Jefferson showing us the clothes, tables & chairs, and oven that our money had purchased for him and his family.

Bermuda Charity: The Bermuda Society for the Blind.
"The Society continues to serve the Blind, as it has over the past fifty years, by providing a workplace and a home away from home. Our mission from the beginning has been to enable Blind people to live a more independent life while at the same time making sure their needs were met... We also provide a hot midday meal each working day to any legally registered blind person, whether or not they work at Beacon House, and look after any personal needs they may have."

The International Charity: The ISIS Foundation.
The ISIS Foundation's mission is to make a positive difference to the lives of children in the developing world.

Students deliver cheques to the charities chosen to receive monies raised during rag week. Above right: Alison Tucker hands the cheque to the Society of the blind. Below right: Henrik Knudsen presents ISIS Bermuda with our donation.

Our students in the Community...

Students who have achieved special awards/recognition outside of school: Laura Robinson: Bermuda Girls Squash champion for age group. **Andrew Robinson**: Bermuda Boys Squash champion for age group. **Robbie Maycock**: National Squash champion for age group. **Edward Rance** - Andrew Morrison Scholarship (Music). **Ashley Aitken** and **Marquel Waldron** won the Denton Memorial Sports Award June 19, 2003. **Erica Lipschultz & Tiffany Paynter** each won a poetry/essay writing competition organized by the Friends of the United Nations (FOUN). They will be two of only 3 representatives of Bermuda who will present their work to the United Nations in New York in November. **Richard Hillen** was the recipient of a third place in the webpage design competition and received a Palm Pilot as a prize. **Richard Hillen** and **Erica Lipschultz** were selected to represent Bermuda in the international debate held this year in Lima, Peru. **Jason Smith, Lozendro Symonds, Kijaun Wilkinson, Marquel Waldron** - were on the winning team for "All Star West" in the West v East football competition. **Jesse Kirkland** and **Oliver Riihiloma** competed in Under 16 age group: Jesse came 2nd World Optimist Dinghy Championships & 2nd in the North American Optimist Dinghy Championships. **Peter Miller**, together with Jesse & Oliver competed in Uruguay at the South American Optimist Championships. **Darren Woods** featured in "The Bermudian" for his swimming success. **Gage Miller** was successful upon application/interview in being the student selected to be on the Fresh TV television show. **Lucy Hollis** and **Jennifer Beech** represented Bermuda's Senior National Team at the CAC Games last November. Jennifer was voted Best Junior Women by the Bermuda Hockey Federation for the season 2002-2003.

Shaun Goater came to visit the Senior school and impart some wisdom upon Mr. Steede's Math class.

Jesse Kirkland who is considered world class in his age group for the Optimist sailing class.

Mrs. Hall and her "Around the world Alone with Alan Parris" group and Mr. Parris outside of BUEI.

Boys 1st XI Football Tour 2002

Saltus:

v Ridley College, Canada (Away) lost 1-2

The first game of the annual tour was played in freezing conditions and driving rain - it took us a little while to adjust to the conditions!!

Nevertheless, we played well throughout without managing to turn our superiority into goals. It was left to Zuri Darrell to grab our goal in the last ten minutes, but despite besieging the Ridley goal we were unable to grab the equalizer.

v Trinity College School, Canada (Away) won 3-2

At last the sun came out and we managed to find the net! Henry Talbot put us ahead early in the first half. TCS came storming back take a 2-1 lead. Then early in the second half Karl Schmitz surprised us all as he volleyed a superb shot inside the near post to put a level. In the final minutes Zuri Darrell and Kenny Tucker- Thompson worked an excellent move with Kenny finishing off with a great goal.

v Appleby College, Canada (Away) won 3-2

Playing their best football of the tour the 1st XI raced to a deserved 2-0 lead on a beautiful Sunday morning in Oakville. Kenny Tucker-Thompson and Andrew Chlebek finishing well. Appleby threw everything at us in the second half and pulled it back to 2-2.We then decided it was time to play again, and managed to miss the goal time and again. However, with time running out Kenny again proved his worth as he tucked home the winner.

v Upper Canada College (Away) won 3-0

A well-played match, scorers: Zuri Darrell, Kenneth Tucker-Thompson x 2.

Saltus Swifts

Swifts Update - March 24, 2003

Swifts B team win but the A team loses badly

Swifts A team played a tired game against Canaries at the weekend and lost 1-6. The first minutes saw chances at both ends with Lucy Hollis, Vicki Colville and Kristan Law all goin close. At the other end Christina Barnard had to make several telling saves whilst Jennifer Beech worked tirelessly in the midfield.

In the 26th minute Christina made a save and the defence froze as the rebound was softly in the back of the net. 4 minutes later Emily Leitch ran 30 metres through the defence but just wide. As the time ran out Swifts failed to run a proper defensive pattern at the last per corner and paid the price as Canaries went 2-0 up with the last play of the half.

A dispirited team then let in 3 goals in the 38th, 40th and 45th minutes. Each time the defenc failed to tackle properly or completely missed the ball. The scoring might have gone on bu Christina made several telling saves. Canaries scored their 6th in the 68th minute before Ts Minors beat 2 defenders and powered in a consolation goal for Swifts in the final minute.

The B team outplayed Canaries for much of the match but could only manage one goal in 34th minute by Paget Holland. Canaries best chance in the second half was well saved on line by Captain Stephanie Adderley. Amy Smith, Keishae Robinson and Paget all went clo but failed to hit the target.

Next week Swifts take on Cardinals in their penultimate league match of their 10th season.

MIDDLE SCHOOL FIELD HOCKEY

Saltus wins 6-0 versus Warwick Academy

Saltus middle school team secured an easy 6-0 win against a very inexperienced Warwick team on Wednesday. Tse Minors opened the scoring after 45 seconds with an easy tap in after a cross by Brittany Faries. Marquel Waldron added the second in the 12th minute.

Saltus then missed on a series of penalty corners and in the 18th minute Danielle Watson's shot was saved. However three minutes later Danielle put Saltus 3-0 ahead.

The second half followed a similar pattern. In the 15th minute Keishae Robinson found Brittany Faries who passed to Vanessa Kent who put in the fourth goal. Five minutes later Stephanie Chilvers added the fifth and near the final whistle Vanessa added a sixth thanks to an initial shot by Megan Williams.

Saltus have a bye next week and the Stickwork competition the week after that.
